

# DUAL Credit Pathways

Courses that take  
you **TWICE** as far.

# Give yourself some credit.

Explore your interests and jump-start your post-secondary education while still in high school.

Dual credit courses at Northwestern Polytechnic allow students to simultaneously earn credits for high school and post-secondary programs! Whether you're looking to lighten your first-year course load or discover the right path for you, dual credit courses make your next steps smoother.

# Be proactive.

Pick a semester and courses that will work for you.

**Fall:** Early September to Mid-December

**Winter:** Early January to Mid-April

**Summer:** July and August

# Fast-track your future.

There's never been a better time to start building towards certificate, diploma, apprenticeship, degree, and university transfer programs. Prepare yourself for success by experiencing the pace and independence of post-secondary learning before you arrive on campus.

## Apply Today.
