

2025 Election Candidate Biography – Wendy Kelm

Vision and goals/platform

My vision for PWPSD is that all students have access to high-quality education, with opportunities in both academic and trades so they can develop critical thinking skills, leadership and become active community members so that no student is left behind.

My Goal is to advocate for fair and sustainable funding to ensure students have the resources they need to succeed. This includes supporting mental health, strengthening partnerships with families and communities and ensuring all staff are well supported. I am also committed to getting a new replacement school for Peace Wapiti Academy. My vision is student first.

Local community involvement

I have served on Wembley's FCSS for the last 15 years, a past member of Wembley Minor Hockey Board, and Wembley District Agricultural Society. Also was a past member Wembley Elementary School Council, Helen E Taylor School Council, Canada Winter Games.

Education, career and/or experience

I worked at Wembley Corner Grocery for over 20 years and together with my husband, have owned and operated Lead Wellsite Management for more than 25 years. I also co-owned and managed a clothing store in Grande Prairie with my daughter's.

Biography

I was born and raised in Barrhead, Alberta, and moved to the Wembley area in 1991 with my husband Brian, and I have been married for 45 years and are blessed with three amazing children and their spouses, as well as six wonderful grandchildren. All of our children graduated from PWPSD schools and two of grandchildren have too, which make us very proud.
