

CATHOLIC SCHOOL REVIEW

Background

Through the perspective of the principles of the “Five Marks of an Excellent Catholic School”, the purpose of this process is to gather information to assist the school community in impacting the faith life and learning of the students and staff.

The periodic Catholic Schools Review provides a detailed perspective and data that allows for celebration of what is systematic and effective for the school community while providing recommendations for improvement.

Procedures

1. Purpose

Catholic School reviews may be conducted to:

- 1.1 To celebrate the successes and strength of the school and encourage progress toward the development of Christ-centered schools rooted in Gospel values.
- 1.2 Enhance capacity in the school and promote a culture of excellence in Catholic education.
- 1.3 Reinforce that Catholic education is our number one responsibility.
- 1.4 To impact the faith life of students and student learning.
- 1.5 Provide recommendations to the staff with respect to:
 - 1.5.1 Religion programs of instruction.
 - 1.5.2 Delivery of faith permeation throughout the school.
 - 1.5.3 Organization and management of faith formation.
 - 1.5.4 Provide teachers, parents, and students the opportunity to provide feedback to their school community.

2. Schools will be reviewed relative to the Five Marks of an Excellent Catholic School.

3. The Superintendent or designate will be responsible for specific procedures for completing the reviews.
