

EVERGREEN CATHOLIC SCHOOLS

“Welcome to our faith-filled schools in Devon, Hinton, Spruce Grove, Stony Plain and Westlock. Challenged by the commitment to our Catholic faith to be the best possible models of Christian stewardship, we are very proud of our students and their families.

Working and learning in clean and safe schools with a caring atmosphere in every building, schoolyard and playground provides our teachers and teachers’ assistants with the nurturing environment needed to help our students achieve academic and social goals. It is the presence of our faith in the classroom that makes it all come together to produce these exemplary results.

Education in Alberta is in the midst of significant change. The intent of the changes is to help prepare students to be engaged thinkers who are ethical citizens and have an entrepreneurial spirit.

An essential element in making this vision a reality is involvement of parents and the community at large. Evergreen is confident that we will succeed with adopting the most forward-thinking strategies and integrating the best practices while keeping Christ at the centre of everything we do.”
